

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

The end of another fantastic week. There have been so many wonderful things going on this week. A special mention to Tilly, who represented East Northumberland Girls' on Wednesday night (even if she did score an equaliser against my Newcastle team). I almost got through this week without presenting my favourite Rainbow award until assembly when I spotted two acts of friendship that made us all smile. Well done to Beth and Olly. You reminded us all how kind and caring our pupils really are. Have a lovely weekend. Mr Moran.

Class News

Seedlings – We have especially enjoyed exploring maps of Ashington, finding familiar places and using the Beebots! Well done!

Saplings – This week we have been learning all about paramedics. We have had lots of fun exploring sirens and emergency vehicles.

Sycamores – A fantastic week reading 'George's Marvellous Medicine' and learning about Roald Dahl. We had lots of fun engaging in story writing activities.

Poplars – An outstanding week. Our letters to David Walliams are superb. I hope he answers them.

Maples – Excellent effort from Maple class in Maths this week. We've been using a written method to divide, including calculations with remainders.

Elms – This week, Elm have worked really hard to write a character description based on Taking Flight. We are really improving our times tables too.

Hawthorns – This week, Hawthorn have got stuck into our ICT topic where we explored the features of a podcast, adverts and jingles and then planned and created our own! We produced very interesting podcasts based on a variety of topics including: COVID 19, environmental issues and North America. Ask the children to tell you all about it.

Chestnuts – This week we have been working on fractions; adding and subtracting with mixed numbers. We have also been looking at the evolution of the speckled moth and we have created some beautiful artwork. Yesterday, we reflected on the Holocaust Memorial Day and made prayers.

Our fantastic award winners this week
– given for lots of wonderful things,
please ask why if your child was a
winner.

Attendance

Saplings – 89.90%

Sycamores – 81.00%

Poplars – 89.93%

Maples – 86.67%

Elms – 69.82%

Hawthorns – 73.44%

Chestnuts – 83.43%

Well done to Poplar class again this week! Can anyone beat them next week?

Special mentions this week go to Beth D for helping keep a friend warm, Olly R for being proud of his friend for winning Star of the Week, to Marcus for dancing and Will and Joel for football. Well done!
