

St. Aidan's Stars Bulletin

In the Love and Truth of Jesus we grow

Another brilliant week back in school. The weather has been fantastic and it's been so pleasing to see all of the teachers taking advantage of the sun and moving their lessons outside. I've heard all sorts going on from my office. Well done to the Under 11 Boys' Football Team who came 2nd in the Northumberland Catholic Schools' Cup this afternoon following a penalty shootout. A huge well done to Maples (who were class of the week) for being brilliant ambassadors for the school on their trip to the Great North Museum. Please keep an eye out for information about our forthcoming Sports Day; we hope you'll all be able to join us in school.

Have a lovely weekend! Mr Moran.

Class News

Seedlings – We have continued to enjoy Rainbow Fish activities and enjoyed talking about our dad's when making Father's Day cards. The beautiful weather has been a fantastic opportunity to explore sun safety!

Saplings – We have had a fantastic week learning all about the Rainbow Fish. We have used T4W to retell the story. We have also become budding scientists learning all about evaporation.

Sycamores – This week, Sycamores have been learning how to tell the time. They have blown me away with their journey stories. They have retold the story of Lost and Found and also created their own version with a twist. I cannot believe how well the children have remembered each event in the story. A big well done to all – super writing!

Poplars – We have been looking at addition and subtraction methods in Maths!

Maples – Maple class had a great day at the Great North Museum learning about the Stone Age.

Elms – Our Year 4's have completed their multiplication check this week. We are so proud of them. We have made some Roman woven owls in art.

Hawthorns – This week, Hawthorns have produced fabulous work based on the properties of shapes.

Chestnuts – We have been really focussed on how the body is affected by alcohol, smoking and drugs.

Attendance

Saplings – 78.00%

Sycamores – 94.83%

Poplars – 96.67%

Maples – 86.36%

Elms – 93.82%

Hawthorns – 98.75%

Chestnuts – 96.47%

Hawthorns take the trophy this week. Attendance levels are now regularly creeping back up into the mid-90s which is a good sign.

Special mentions this week go to Mia for her first dance show, Isaac for his dance show in tap and ballet, Sofia V for swimming without help, Kyla for running, Dayna for getting a Rainbow's badge and Sophia U for gymnastics.
